

ABOUT

Greatly interested in technical knowledge, I try to understand the "how" a thing works the way it does. It adds to my knowledge, which helps me perform better. I believe in learning by experimenting, which is why I always try to create something new, polish my skills, update my concepts and knowledge and learn new tools that can improve my workflow.

Hrishikesh Kokate

Senior Support Engineer

WORK EXPERIENCE

Senior Support Engineer

May 2021 – Present

Provided technical support on various levels to a lot of customers of Netlify. The area of expertise was JAMStack and the offerings of Nelify around that.

Freelance Video Editor

Jan 2019 – May 2021

Created and edited videos for various people and organizations. The videos included music videos, short films, etc. Used tools like Adobe After Effects, Adobe Premiere Pro and Adobe Audition.

Freelance Graphic Designer

Jan 2019 – May 2021

Created artworks like brochures, flyers, billboard posters, logos, etc. for various people and organizations. Used tools like Adobe Photoshop, Adobe InDesign and CorelDRAW.

Junior Instructor

Jun 2014 – Apr 2015 @ Jidnyasa Cadet Core

Worked under a senior instructor to train cadets in the Sunday to Sunday military training school. Learnt and sharpened skills like leadership, team management, etc.

EDUCATION

Master of Business Administration

Aug 2021 – (expected) May 2023

Graduated with a Master of Business Administration degree from **Indian Institute of Aviation and Hospitality Management, Kalyan**, affiliated with Singhania University Jhunjhunu.

Bachelor of Mass Media

Jul 2018 – May 2021 @ 8.63 CGPA

Graduated with a Bachelor of Mass Media degree from **Satish Pradhan Dnyanasadhana College, Thane**, affiliated with University of Mumbai. Studied subjects like Public Relation, Brand Building, Digital Marketing, etc.

Cleared Class 10 from **D.A.V. Public School, Thane**, affiliated with Central Board of Secondary Education. Studied subjects like Science, Maths, English, etc.

CERTIFICATE COURSES

Go: The Complete Developer's Guide

Aug 2021

Completed the Udemmy course by Stephen Grider to further enhance my technical skills in programming. I realised that Go can be particularly useful for microservices and server systems.

IPVAD

Apr 2018 – May 2021

Completed **International Programme in Visual Arts and Design** from **Maya Academy of Advanced Cinematics (MAAC), Thane**. Studied graphic designing, 2D/3D animation, Vfx and game development in applications like Adobe Creative Suite, Autodesk 3ds Max, Autodesk Maya, Nuke, Unity, etc.

PROJECTS

ThreadTalk.JS

May 2021 – Jul 2021

A lightweight, themeable, secure and open-source comment engine for static websites. It's powered by Netlify Functions, Netlify Identity and FaunaDB as a headless database. Read more at: <https://www.hrshikeshk.ml/projects/threadtalkjs/>.

Carry on bot

Jun 2020 – Sep 2020

A 3D short film in 4K 60FPS. A self-balancing robot finds itself a peculiar hobby, but, rivalry exists in robots as well. Read more at: <https://www.hrishikeshk.ml/projects/carry-on-bot/>.
